To Craig County Tax Payers:

The county treasurer has had his books in hand for the collection of taxes since the first day of December, as provided by law.

As the receipts to date have been very small, I deem it my duty to state unless one-half of your taxes is paid by January 1, 1911, all of your tax will become due, payable and delinquent on that date.

If one-half is paid before January 1, 1911, you will have until the 15th of June, 1911 to pay the remaining half. Let all come forward within the next twenty days, pay the first half and avoid delinquency.

The half tax provisions does not apply to special taxes assessed in Vinita. Very respectfully,

E. D. PICKLIN,
County Treasurer.

While everything else is going up Tungsten Lamps are coming down. The quality is also better, they last longer and are less fragile.

While the service is bad and voltage often low, until the new plant starts, Tungstens will take less current, give more light and help us by reducing the load. Remember that these lamps consume only 1-4 Watts per candle. The common lamp requires 3 1-2.
